You may appeal any policy action or decision which has a significant adverse affect upon you. With the exception of Serious CDC 115s, classification committee actions, and classification and staff representative decisions, you must first informally seek relief through discussion with the appropriate staff member, who will sign your form and state what action was taken. If you are not then satisfied, you may send your appeal with all the supporting documents and not more than one additional page of comments to the Appeals Coordinator within 15 days of the action taken. No reprisals will be taken for using the appeals procedure responsibly.
